### Licensure Agreement

Student Name: \_\_\_\_\_ SUID#: \_\_\_\_\_ Program Code: \_\_\_\_\_

I, \_\_\_\_\_, have not yet obtained my State of Michigan EMT license or National Registry of EMT's registration. I understand that in order for me to be accepted into and graduate from the Genesys EMS Education Paramedic Program, I am required to submit a copy of my EMT license, valid within the State of Michigan or National Registry of EMT's registration. I hereby formally request that Genesys extend the deadline of this requirement for 30 days, during which time I intend to complete the State of Michigan requirements for licensure or National Registry of EMT's registration.

I also understand and agree that if I do not receive a valid license issued by the State of Michigan within 30 days from the date of execution of this Agreement that I will be dismissed from the Program and all monies owed will immediately become due. I also fully agree to all of the terms set forth in the Genesys Policies and Procedures handbook.
