

GENESYS CENTURY CLUB

Thank you for your interest in the *Genesys Century Club*. The Genesys Century Club was organized over 25 years ago by a group of physicians who were interested in receiving quality CME programs for a fair price. The Congdon Lecture Series brings 6 quality physicians to speak on various topics each month to the Genesys Conference and Banquet Center. Each lecture series is accredited by the American Osteopathic Association (AOA), the Michigan State Medical Society (MSMS), and American Academy of Family Physicians (AAFP) allowing you the opportunity to obtain over 60 Category 1 or prescribed credits per year.
