Elective – This is your choice. This rotation can be done either in house or out. If you would like to go outside to complete it, you need to contact the other institution ASAP to set it up. Once you get the okay, you must complete the “Out Rotation” form located in Med. Ed. Once completed you must turn it in to your program coordinator/assistant to get necessary signatures. They will then gather the items needed from your file (license, ACLS, BLS, etc.) and send them out. This should be done within your first rotation, since rotations get booked up fast.

Should you have any concerns regarding this form – please contact Suzanne Booker at (810)606-5989 or (800)233-2863.
