Name: _____

Being an Orthopedic PGY I – your schedule was determined by the AOA, the Orthopedic Program Director – Frederick Schreiber, D.O. and Susan Enright, D.O. PGY I Director.

Your schedule will consist of the following block/rotations but not necessarily in this order: 1-House Nights, 2-General Medicine, 3-Ortho, 1-Family Medicine, 1-General Surgery, 2-weeks of Rheumatology, 2-weeks of Anesthesia, 1-Muscle Imaging, 1-Units, 1-Emergency Medicine and 1-Elective.

The Elective rotation is a choice of any rotation offered at Genesys or should you decide to go to another institution you should set this up with the institution of choice and then complete paperwork in the Genesys Medical Education office. This should be taken care of in your first month of residency and all paperwork must be submitted to your program coordinator. Should you have any questions please contact Suzanne Booker at (810)606-5989.

Elective: (1) Choice #1 _____ Choice #2 _____

(Please refer to the attached scheduling choice sheet and make two choice selections – in case the 1st choice is not available)

Time off: For any needed days off of your service you must request time/days with your program director/chiefs/coordinator. See policy in the Orthopedic manual.

PGY I Scheduling Choices
Genesys Regional Medical Center
for MSP, SSP, Selective

Choices are:

MSP (medicine sub-specialty) Cardiology, Endocrinology, Geriatrics, GI, Hematology, Infectious Disease, Nephrology, Neurology, Pulmonary, and Rheumatology

SSP (Surgery sub-specialty) Anesthesia, General Surgery, Gyn-Surgery, Neuro-Surgery, Obstetrics, Ophthalmology, Orthopedics, and Urology, Cardiovascular & Thoracic Surgery

Selective – Emergency Medicine, Family Medicine, OMM, Pathology, Pediatrics, Radiology, Units and any MSP or SSP.

Elective – This is your choice. This rotation can be done either in house or out. If you would like to go outside to complete it, you need to contact the other institution ASAP to set it up. Once you get the okay, you must complete the “Out Rotation” form located in Med. Ed. Once completed you must turn it in to your program coordinator/assistant to get necessary signatures. They will then gather the items needed from your file (license, ACLS, BLS, etc.) and send them out. This should be done within your first rotation, since rotations get booked up fast.

Should you have any concerns regarding this form – please contact Suzanne Booker at (810)606-5989 or (800)233-2863.
