“Shadowing On-Call” prior to PGY I Year**

We are making it a requirement that you spend a night of call with one of the current Interns to help acclimate you to Genesys as well as identify what an on-call night might look like. This is MANDATORY. The designated time is from 6:00pm – 11:00pm – Monday thru Saturday. You may choose to stay longer on the date you are assigned if you so desire.

Please print this form and return it with your packet of information. A date will be arranged for you and you will be notified via email of the date.
